a Bright Mulatto Man named

B O B,

Who calls himself ROBERT THOMAS;  
About 5 feet 10 inches high, 24 or 25 years  
of age, has large black eye brows, large full  
eyes, not very dark, and is a stout well made  
handsome fellow. His hair is thick, but not  
quite straight, and he wears it nicely trimmed,  
combed and ridged on the top. His beard ap-  
pears very black if suffered to grow for a day  
or two, but he usually shaves it very closely.  
He has recently received an injury on the fore  
finger of the left hand, and has it bound up,  
and may probably lose the first joint of it. He  
speaks deliberately, and is more correct in  
conversation than persons of his color usually  
are. He walks slowly, is a very good waiter  
& delights particularly in attending to horses.  
He has a variety of cloaths, and took with  
him one dark green broadcloth coat and pan-  
taloons nearly of the same color, but the  
cloth of inferior quality, with white meta  
buttons, one blue cloth coat much worn, one  
old brown surtout coat with covered buttons,  
a good hat, and a pair of black top boots. Th  
rest of his apparel I am not able particularly  
to describe. He is fond of wearing boots, and  
pays great attention to his dress.

As he can read and write very well, he may  
probably produce a forged authority for him  
to pass, or procure the certificate of some one  
of the negroes, who, a few years ago, petition-  
ed by the name of Thomas and obtained their  
freedom in Maryland. If taken out of the  
state of Maryland and district of Columbia  
and secured in any jail, so that I get him  
again, the above reward will be given, or six-  
ty dollars if taken and secured within the said  
state or district; all reasonable expenses will  
also be paid if he should be delivered to me  
in the city of Washington, or to Dr. Richard  
Duckett, in Prince George's county, Maryland.  
He is well acquainted in Annapolis, Baltimore,  
Geo. Town, and the city of Washington.

## AL EVIDENCE

efficacy of the Patent and Family Medicine, prepared by the late Richard Lee, jun. which for near eight years past has been acquired throughout the United States a celebrity hitherto unequalled.

Philadelphia, August 9, 1800.

Being desirous to make public for the good of others, the excellent quality of HAMILTON'S ELIXIR, prepared by the late Mr. Lee, I have sent you the following account of the benefit I have received from it, which I hope will induce others to give it a trial. In consequence of a bruise on the breast received from a fall, my health grew bad, my breathing became very difficult, and frequently I have had suddenly to rise up in my bed with all the horrors of immediate suffocation. Add to these a constant pain in my breast and a cough, a great loss of strength and flesh, and you may conceive that my symptoms evidently indicated an approaching consumption. The advice of a most eminent physician was resorted to, and afterwards a second was called in, without giving me any relief. Another physician who knew me and the circumstances of my case, advised me to give Hamilton's Elixir a trial, saying he had used it in his practice, and always found it do much good. A bottle was procured from Mr. Birch's, and I found relief before I had taken one half of it. I continued to use it and was soon strong enough to attend to business. On taking cold, some of my former symptoms return, but are always removed by a dose or two of the elixir.

GEO. BENNER, jun.

No. 11, Budd-street, Philadelphia  
Mrs. H. Lee.

From *Luther Martin, Esq.* late Attorney General of the State of Maryland.

I comply with your request in stating my opinion of Hamilton's Elixir. It has been used in my family for two or three years past, with uniform success, whenever colds, coughs, or similar complaints, have rendered medicine necessary. I have myself found it an excellent and agreeable remedy for a very painful and troublesome affection of the breast, accompanied with soreness, and with obstructed and difficult breathing.

On these accounts I do not hesitate to recommend Hamilton's Elixir as a valuable medicine, and deserving public attention.

LUTHER MARTIN.

### HAMILTON'S ELIXIR

Is recommended as the best remedy for coughs, colds, asthma, hooping-cough, approaching consumptions, and most disorders of the breast and lungs. This preparation will prove a valuable acquisition to public speakers who may be subject to temporary hoarseness, thickness of speech, &c. In long confirmed Asthmatic complaints where a cure can speedily be expected, this medicine affords immediate relief, moderating the fits of coughing, and rendering their recurrence less frequent. On children afflicted with the hooping cough, the like beneficial effects may confidently be expected.

### ITCH CURED.

By once using Lee's Sovereign Ointment, which, although used for 20 years in Europe and for near 8 years in America, has never been known to fail in any one instance. It is perfectly innocent, warranted not to contain a particle of mercury or any pernicious ingredient, and may be used with perfect safety on an infant, being a vegetable preparation and entirely free from the offensive smell which attends most other remedies.

### HAMILTON'S LOZENGES.

Which have cured more children and adults of disorders proceeding from worms, than all the medicines heretofore discovered. In addition to the great cures mentioned in the letters from the chancellor of the state of Maryland, the Rev. Mr. Molthier and others, lately published the following are submitted to the public; being selected for the purpose of shewing the mild yet powerful qualities of this extraordinary medicine, which, although so mild in its operation, is competent to expel the formidable tape worm.

An infant, aged 5 weeks, of Mr. Henry Ewbank, tailor, Charles-street, Baltimore, was dangerously afflicted with convulsion fits, so that his life was despaired of, but was perfectly cured by one dose of Hamilton's Worm Lozenges, which expelled several worms, the undoubted cause of the child's disorder.

Letter from Mr. Ackerman, bricklayer, Magazine street, near Broadway, Jan. 24, 1802.

It would be ungrateful were I to withhold my testimony in favor of Hamilton's Worm Destroying Lozenges. I had been between five and six years past much indisposed, and latterly often tormented with severe griping and pains in the bowels, troubled with offensive breath, with violent feverish fits and other obvious symptoms of worms; but frequently hearing your Worm Lozenges recommended in cases similar to mine, I determined on a trial of them, as my last resource. The first dose evacuated twelve or 13 feet of a tape worm; two other doses were taken, which brought away a quantity of matter broken like skins and pieces of worms. I suppose the tape worm, voided at different times, must in the whole have exceeded forty feet. The almost incredible benefit I received from this medicine, induced me to give a dose to a child of mine who was pining and sickly: it produced the same good effect in this instance expelling a worm of a different kind, from nine to twelve inches long, and at the same time restoring a good state of health.

HENRY ACKERMAN.

ALSO,

The following new and valuable Medicine, just received and for sale as above.

(Price, Two Dollars per bottle.)

### Dr. Tissot's celebrated Gout and Rheumatic Drops.

NOTHING is of more importance than the preservation of health—this common maxim, however, is too often forgotten, whilst we are active and strong—and prevention of pain, which is superior to its cure, is not sufficiently attended to by any description of persons. Among those disorders which require the most early and unremitting efforts to eradicate and overcome, none have a stronger claim upon our notice than the Gout, Rheumatism, Lumbago, Weakness of the Joints, Sprains, Clefts, the Stone and Gravel, the Cramp and every species of Rheumatic Pains from whatever cause they may have originated—and hence every relief which can be administered is too valuable to be forgotten. These persons whose avocations peculiarly expose them to colds, &c. cannot be too anxious always to possess immediate aid. Sea-faring persons, travellers, &c. ought constantly to carry with them that medicine which will counteract the unpleasant effects of their perilous duties, and especially those pains to which their situation must expose them. To those who reside in or visit the West-Indies, and their warm climates, they will be found upon trial to convey the most lasting service, and

will gradually destroy all tendency to disease in the human frame, and preserve health and vigor. Although a great variety of prescriptions have been published to cure the disorders enumerated above, none has yet equalled the GOUT and RHEUMATIC DROPS of Dr. TISSOT, which are celebrated throughout the European continent, and whose unbounded benefits are fully authenticated by certificates already published of gentlemen so well known in America, being of the first consequence in the state of Maryland: General Charles Ridgely, of Hampton; John Gibson, Esq. one of the directors of the Farmers' Bank of Maryland; John Macubbin, Esq. Mrs. Macubbin, his wife; and Mrs. Ryan, of Calverton.

Certificate of Mr. Thomas Kelso, butcher.

About three weeks since I was most violently attacked with Rheumatic pains throughout my whole frame, in so severe a manner as not to be able to turn in my bed without assistance, proceeding as I suppose from a severe cold; upon being advised by a friend to apply Dr. Tissot's Gout and Rheumatic Drops, I accordingly obtained from the agents Messrs. George Dobbin and Murphy, two bottles, the application of which, under God, have perfectly restored me to health. I am therefore induced with confidence to recommend this medicine as a certain cure for the above disorder.

THOMAS KELSO.

Baltimore, July 22d, 1806.

Certificate of Mr. Thomas Campbell, Harniss-maker.

It would be an act of injustice to withhold my testimony of the salutary effects of Doctor Tissot's Gout and Rheumatic Drops, as I have experienced a very unequivocal instance of their virtues and efficacy. I was afflicted with two severe attacks of what is usually called Dead Palsy, from which I partially recovered, but was obliged to use crutches to aid me in walking when I left home; so this was joined violent Rheumatic pains, the result of the affliction, and I had feared the disorder would accompany me through life; but providentially was recommended to apply at George Dobbin and Murphy's for Dr. Tissot's Drops, and after using only one bottle, found myself perfectly liberated from my disorder, and am now, thank God, as free from pain as if I never had been afflicted. Finding this medicine operate so powerfully on myself, I determined to apply it internally to my child, a boy only eleven months old, who was then reduced almost to a skeleton with the Bowel Complaint; after administering it four times to him, his complaint was entirely removed, and he is now recovering his strength with great rapidity.
